

Every kind of expedition can be send only starting from the first day of mobilization of the fair, that is the 9th May.

1. If the shipment must arrive directly to your booth, you must write on the packages:
Name of your company
C/o Fiera Milano - Cargo 1
Strada Statale Sempione 33, 28
20017 RHO (MI) Italy
Fair "Made in Steel 2019"
Hall n. ____, Stand n. ____
Please note that in this case someone must be authorized to sign and to collect the goods.
2. If you want to ship packages to be stored you must contact in advance the official fieramilano shipment company "EXPOTRANS SPA". They will inform you about address and timing for receipt of the goods and to provide specific quotation for the handling services and confirm the reservation. (See the official tariff here in attached file)

Expotrans is the only authorized company for handling goods on the fairground, so if you need also to move your goods, you should contact them.
